Select the appropriate state assessment(s) and testing accommodations that will allow the student to demonstrate his/her knowledge. Accommodations that are listed on the English Learner (EL) documentation must be used routinely in classroom instruction and on similar classroom assessments. Select testing accommodations that correlate to instructional accommodations used routinely throughout the academic year. For specifics regarding accommodation use and availability for specific tests, refer to the *Guidelines for Testing Students Identified as English Learners* publication, available at <http://www.ncpublicschools.org/accountability/policies/slep>.

EL teams must select only those accommodations that will not invalidate the score on an assessment.

EL students must meet the following criteria in order to be eligible to receive state-approved EL testing accommodations on all state tests. Check if applicable:
